Request for Citizen Input on New Baseball/Softball Complex

03/28/2019 - The Hyde County Parks and Recreation Committee is seeking citizen input for the building of a new baseball/softball complex. We will hold the public comment session on Thursday, March 28, 2019 at the Hyde County Government Center in the Board of Commissioners room starting at 5:30 pm.

At the November 5, 2018 Commissioner Meeting, the Hyde County Parks and Recreation Committee held a public hearing for possible updates or amendments to the Parks & Recreation Master Plan. Citizens of Hyde County stated a need for a sports complex in Hyde County, to increase youth extracurricular activities, host regional tournaments to increase county revenue and build sustaining partnership with the local school system.
