### Hyde County Employee of the Month for January 2019

Linda McCabe was honored as January's Hyde County Employee of the Month at the January 7, 2019 Board of Commissioners Meeting. Linda works as the Income Maintenance Supervisor for the Hyde County Department of Social Services. She has over twenty years of service to Hyde County.

Linda started out as a line worker and has advanced through the ranks to become an administrator of multiple programs within her department. She is dedicated to the clients we serve and is a team player. Her willingness to help others exemplifies the departments commitment to the citizens of Hyde County. For just a few of those reasons, Linda McCabe is the Hyde County Employee of the Month.
