## Website Issues

**For immediate release**

August 31, 2021

We are currently experiencing technical issues with our website. Hydehealth.com will be unavailable until further notice. For the time being, we are asking that the general public stay tuned via the county website ([www.hydecountync.gov](http://www.hydecountync.gov)) or our social media pages for regular updates. We plan to issue another press release once the website is back up and running.
