

November 11, 2018—11 am

Please join your friends and neighbors on the 11th hour of the 11th day of the 11th month as Americans across our great Nation mark the 100th Anniversary of the end of World War I by the ringing of bells.

The Hyde County Historical & Genealogical Society

encourages our churches, fire departments, businesses, or anyone with a bell of any kind/size to participate.

If you don't have a bell of your own, you may visit the US

World War One Centennial Commission's website:

www.ww1cc.org/bells to download an app to your phone that was designed especially for the occasion.
